MONUMENT TREE VINEYARD

PINOT NOIR

Despite the challenges faced by many sites in 2022, Monument Tree Vineyard thrived, making it an exceptional year for our estate property and its single vineyard bottling. A prolonged, cool summer transitioned into the arrival of a heat dome. However, the impact was less severe in Anderson Valley, providing just the right balance to enhance the full, ripe flavors while maintaining excellent acidity levels. 2022 proved to be an outstanding vintage, showcasing the best of this site.

The 2022 Monument Tree Vineyard Pinot Noir is characterized by its bold, dark profile and velvety texture. In addition to rich mulberry notes, it embodies its terroir with hints of brambly and resinous elements that complement the fruit. On the palate, flavors of plum and herbs take center stage, leading to a lingering finish driven by refreshing acidity, which imparts a vibrant freshness that harmonizes with the berry and brioche flavors.
