## 2013 MONUMENT TREE VINEYARD PINOT NOIR ANDERSON VALLEY

### WINEMAKER'S NOTES

Our 2013 Monument Tree Vineyard Pinot Noir from the Anderson Valley is a captivating and lively wine that displays the delicate balance between perfumed fresh fruits, fresh acidity and savory umami that typifies western Anderson Valley. The wine has a red-rose color with purple highlights and a nose of fresh lychee, nutmeg, redwood bark and a hint of blood orange. It has a vibrant attack and ideal acid balance that brings freshness to its remarkable depth and complexity.

### NOTES FROM THE VINEYARD

The 2013 California growing season will be remembered as extremely dry, but in Anderson Valley's unique climate it began with a cool, wet spring which persisted until mid-May. From that point in the season through harvest, the conditions were unusually dry, warm and fog-free. These conditions intensified the berry characters of this exquisite estate owned gem in the Deep End of Anderson Valley.

### HARVEST DATES:

September 20 - 27, 2013

### ALCOHOL:

13.9%
